

**HE FELT THE NEED.
THE NEED FOR SPEED.
AND A RAKE.**

After a harrowing race down the tattered and bum-ridden fairways of Jackson Park, Christopher Smith won the 4th annual Chicago Speed Golf Classic with a score of 65. And he did it in only 44 minutes and 6 seconds. Amazing what just one Nike One Platinum ball can do for your speed game. Maybe it's time you tried what the Nike One Platinum Ball can do for *your* game when you're dodging homeless people and wheezing from those two cigarettes you smoked in Vegas.
